The Intensive English Program is located on the University of Miami Coral Gables campus. Coral Gables is a Mediterranean styled suburb filled with acclaimed restaurants, fine art galleries, live theater, breathtaking flora, and a bevy of landmarks on the National Register of Historic Places.

Just a few blocks from campus, you will find South Miami and the Shops at Sunset Place, which offer restaurants, an entertainment complex with a movie theater and bowling alley, boutique shops and anchor stores, coffee houses, and supermarkets. Nearby, the village of Coconut Grove is home to artists, writers and musicians. Graced with bicycle paths, charming sidewalk cafes, and a lively nightlife, the "Grove" is filled with UM students on weekends.

Miami's beautiful subtropical climate makes it the perfect place to enjoy outdoor activities year-round. You can spend time on South Beach, known for its idyllic beaches, Art Deco architecture, sidewalk performers and contemporary vibe. Perhaps you'll explore sailing on Biscayne Bay, taking an airboat ride in Everglades National Park, strolling down the galleries in Wynwood, watching the Miami Heat playing at the Kaseya Center or taking a quick cruise to the Caribbean.

I also enjoy how the professors are from various parts of the United States and impart their unique perspectives on me as a student. The professors showcase patience, are easy to understand and work diligently to help us in our goal of learning the English Language. The IEP program also allows us to incorporate ourselves into the larger UM community and has helped set me up for success in the future."
